

**Computer Information Science
HSER 1000 - Computer Assistance/Tutoring**

Enrollment in Computer Information Science, Business or Accounting makes you eligible to utilize the open lab in Room 152 for Assistance/Tutoring. All department instructors refer students to this lab who have an identified learning need in the area they are studying. This form verifies the referral from your instructor and enrollment in HSER 1000. The college receives apportionment based on the hours recorded in HSER 1000.
